

### Description:

LED flood light, die-cast aluminum housing, elegant appearance, Super high efficiency >160lm/w, IP66, IK10 rated, excellent corrosion proof

|                   |                               |
|-------------------|-------------------------------|
| Item Code:        | CIR-LSHM-300W-LV              |
| Product Type:     | LED Linear bay                |
| Main Material:    | Cold steel , aluminum         |
| Finishing         | Powder coated                 |
| Color:            | Black                         |
| Adjustable:       | Yes                           |
| Input:            | 100-240VAC                    |
| Light source:     | LED                           |
| Power(W):         | 300W                          |
| Output Lumen(lm): | 48000lm                       |
| CCT(K)            | 3000K   4000K   5000K   6000K |
| CRI:              | 70+                           |
| Beam Angle(°):    | 30°   60°   90°   120°        |
| UGR:              | 26                            |
| Dimmable:         | No                            |
| Dimensions(mm):   | 472*334*143mm                 |
| Cutout(mm):       | NA                            |
| Safety Class:     | Class I                       |
| IP Rating:        | IP66                          |
| Other:            | NA                            |
