

### Description:

Highlight efficiency upto160lm/W Full range covering 20W-240W  
 No wires are being exposed to the sun and rain  
 Elegant design with smooth housing IP66 protection grade  
 Maintenance flap for quick access to the driver compartment

|                    |                              |
|--------------------|------------------------------|
| Item Code:         | CIR-SLE620-90W LED           |
| Product Type:      | wall light Die-cast          |
| Main Material:     | aluminum                     |
| Finishing          | Powder coating               |
| Color:             | Gray   Black                 |
| Adjustable:        | No                           |
| Input:             | 220-240VAC                   |
| Light source:      | LED                          |
| Power(W):          | 90W                          |
| Output Lumen(lm):  | 12000lm                      |
| CCT(K)             | 3000K  4000K 6000K           |
| CRI:               | 80+                          |
| Beam Angle(°):     | T2-M/ T3-M                   |
| UGR:               | <22                          |
| Dimmable:          | No (Available for Optional ) |
| Dimention(mm):     | 493*174*108mm Pole           |
| Installation:      | mounted 60mm                 |
| Pole diamter (mm): | Class I                      |
| Safety Class:      | IP66                         |
| IP Rating:         | NA                           |
| Options:           |                              |
